

Air \$50,000 Indian Land Deals in Long Beach Court

Three Men Involved in Local Case

Villagers at Beach To Testify; Local Indians Not Called

Investigation of grand theft and conspiracy in connection with asserted deals for Indian lands involving, so police say, \$50,000, was under way today in Long Beach in Judge Wilbur F. Downs' municipal court where three men were in the docket. The hearings started Tuesday.

Howard Perdew, Indian Agent here and Wally Waring appeared in court as witnesses for the prosecution but absent from the court were 26 members of the Agua Caliente tribe, owners of the Indian land in question.

ALL THREE defendants, John S. Madill, 60, Walter G. Kloppe, 50, and Adolph Shollette, 49, residents of Long Beach, heard witness after witness testify how they entered into asserted sale agreements with the defendants for the purchase of Indian land in Palm Springs.

James M. Bassine, of San Bernardino, restaurant owner, testified that in 1946 he was told by a member of the trio that they had arranged for the purchase of 2400 acres of reservation land and had obtained consent signatures of 39 Indians for the deal.

ON THIS REPRESENTATION Bassine testified, he gave members of the trio \$2,500.

Absence of the Indians from the courtroom was seen in the stipulation agreed between Prosecuting Attorney Thomas W. Cochran and Defense Counsel Clarence Hunt, that the Indians would testify they never entered into agreement for the disposal of their lands; that they had never been in Washington, D. C., to discuss the matter and had authorized no one to act in their behalf in disposing of portions of their reservation.

If your radio's at its peak. You can't hear that warning shriek.

Hmm'm—maybe I need a tune-up job. That second line doesn't seem to be hitting on all eight. . . . Anyway, the above is respectfully dedicated to those who endeavor to make a sound truck out of their pleasure car. . . . They keep their car radios going so loud that cannot hear the warning sounds which may be (a) The foot of a locomotive (b) The Voice from the Back Seat (c) A horn from the rear. . . . The result is too often written in grief by the insurance company.

TOO MUCH NOISE isn't the only trouble. . . . The program may be of such intense interest that it detracts from the business at hand, namely, keeping the mind on the driving. . . . I know.

A couple of weeks ago, ambling along Highway 99 and listening to the S.C.-Cal. football game, I was much engrossed in the Trojans' drive for their third touchdown, the one that put them out in front to stay. . . . Unconsciously, I must have been pressing with them. . . . For Mrs. G asked calmly: "Is there a fire some place?" . . . When I pushed that ball across the line with Troy, the throttle got into the way and I was doing 70. . . . If any traffic cop reads this, I'm just kidding.

NOW THAT all of the big brass of the Western Air Lines is going to be in town over the week-end, I'll relay this bit of information I received the other day. . . . It was from a winter resident who owns a place out Rancho Mirage way. . . . He has occasion to come down from San Francisco, where he lives, several times each summer. . . . "I'd like to fly but from May to November I can't. There is no service. Why?" . . . Said one Villager Wednesday morning as he buttoned up his sweater: "Gee, wasn't the heat terrible here in July?" . . . That's one way to look at it.

SPEAKING of the weather. . . . And most people are. . . . A little chill now and then is good for us. . . . Who doesn't like to sit around an open fire? . . . It's a poor man who can't hit the wide open fireplace with a cigaret stub at five paces. . . . And the intervening ashes are good to eliminate any possible bugs. . . . Maybe it was Wednesday morning's eclipse that caused the drop in the mercury. . . . It couldn't have been anything usual. . . . In regard to bugs in the rugs, see where a Los Angeles woman faces trial in federal court all because of cockroaches. . . . Seems she called her apartment—in L.A., of course—cockroach manor. Time Ripe for More Service To Community

Speaking on the urgent need of increased community service in these expansion years in California, Charles Bayer, assistant to the president of the Los Angeles Chamber of Commerce, tonight will address principal business people of the Village at a dinner meeting in the Desert Inn that go far in determining extent of the Palm Springs Chamber of Commerce program in the 1947-48 season.

The meeting, open to all business people of the Village, inaugurates an intensive membership and financing program that is aimed at providing the chamber of commerce with the necessary funds to enable it to pursue its community service program, its campaign for additional conventions here, the conducting of a nation-wide publicity and promotion campaign and to permit the organization to concentrate on the community projects without the handicap of financing problems.

RESERVATIONS for the dinner, which will be served at 6:30 p.m., must be telephoned to the chamber of commerce office, phones 6111 or 6181.

Mr. Bayer, one of the foremost chamber of commerce executives of the west, was secretary of the Los Angeles chamber for many years before being promoted to the position of assistant to the president. He is rated as one of the outstanding speakers of California on the subject of the vital part that chambers of commerce play in the community development.

AN ADDITIONAL feature of the evening will be the presentation of details of the intensive promotion and convention program which the chamber of commerce plans to carry out if sufficient funds are available.

Florian Boyd, president of the chamber here, will be chairman of the evening.

Frank Bennett Nominated for Circus Leader

Frank H. Bennett, leading figure in the Desert Circus since its inception, today was nominated for re-election as president of the Desert Circus Association for the 1947-48 season as the annual meeting of the organization was conducted at luncheon in the Desert Inn.

To serve with Mr. Bennett the following additional officers were nominated in the report submitted to the annual membership meeting: Barney Hinkle, first vice-president; Phil Delano, second vice-president; Kenny D. Paul, third vice-president; Arthur E. Bailey, secretary, and Florian G. Boyd, treasurer.

THIRTY-FIVE PERSONS to serve as members of the board of directors for the year also were nominated in the report.

Mr. Bennett, whose characterizations have been highlights of the Village Vanities for many years, was chairman of the Circus on its first post-war revival two years ago and has served as president of the incorporated association during the past year. Barney Hinkle, also associated with the Circus productions for many years, capably directed the 1947 show.

MEMBER ROLLS of the association now stand at 120 and question of accepting additional memberships was a matter under discussion at today's meeting.

The session signaled the start of actual work on the 1948 show as several major details, including setting of the dates, employment of a general manager and selection of a general chairman, were matters to come before the gathering which was held in the Sombra Room at the Desert Inn.

Palm Springs Branch, in Annual Session, Hears Committee Heads Tell of Activities

Reports of a highly successful postwar season with continued activity were heard at the annual meeting of the Palm Springs branch of the Riverside County American Red Cross Wednesday morning.

The group met at the Health Center, 299 East Amado road with Raymond Cree, chairman, presiding.

Mrs. Lauritz Hansen reported on the work of the Gray Ladies who are still very active and are now assisting at the weekly free clinics at Community Hospital.

Mrs. William Lippman presented a comprehensive report on the Volunteer Service work and Miss Doris Kresse told of the work of

Teen-Target New Name For Center

Youth Hold Special Meetings To Discuss Procedure Methods

It's no longer the Desert Den nee Youth Center.

It's now the Teen-Target, formerly the Youth Center.

Village teen-agers, in special meeting Wednesday night voted to change the name again—this time from Desert Den to Teen-Target.

In a recent contest for a new name, the choice had been "Desert Den". But since that time, the young members of the Bel-lardo road center, changed their minds.

DESERT DEN, they decided, sounded too much like a cocktail lounge. Teen-Target, they decided was a more apt name. As one young member remarked: "After all, it's our target for tonight."

Discussion was also held of the new membership set-up. Admission to the Teen-Target will be by membership card and these cards will be available for distribution at a mass meeting called for tomorrow night during the regular Saturday night dance. The meeting is scheduled for 9:30 p.m.

DUES WILL BE 25 cents per quarter. Chief of Police A. G. Kettmann and Mrs. Harold Hicks, the latter chairman of the Center committee for the Welfare and Friendly Aid association, sponsors of the project, will talk on care for the building and its equipment. It's the teen-agers' building and project and it's up to them to protect it, is the opinion.

A new teen-age orchestra has been formed and will be introduced Saturday night. The orchestra is in need of a set of drums and anyone who has such is requested to call Milton Ferris, director, at 4042 or Mrs. James Oliver, adult music adviser.

Partial Eclipse Is Noted by Villagers

If the sun wasn't up to its usual Palm Springs standard Wednesday morning—don't blame the sun. It was trying. Blame the moon for blundering into the path.

At 10 a.m., on the dot, the moon started muscling in on the sun's territory and by 11:15, it covered one third of the solar disc, the maximum eclipse as noted in this area. At 12:36 p.m. the astronomical phenomena was at an end.

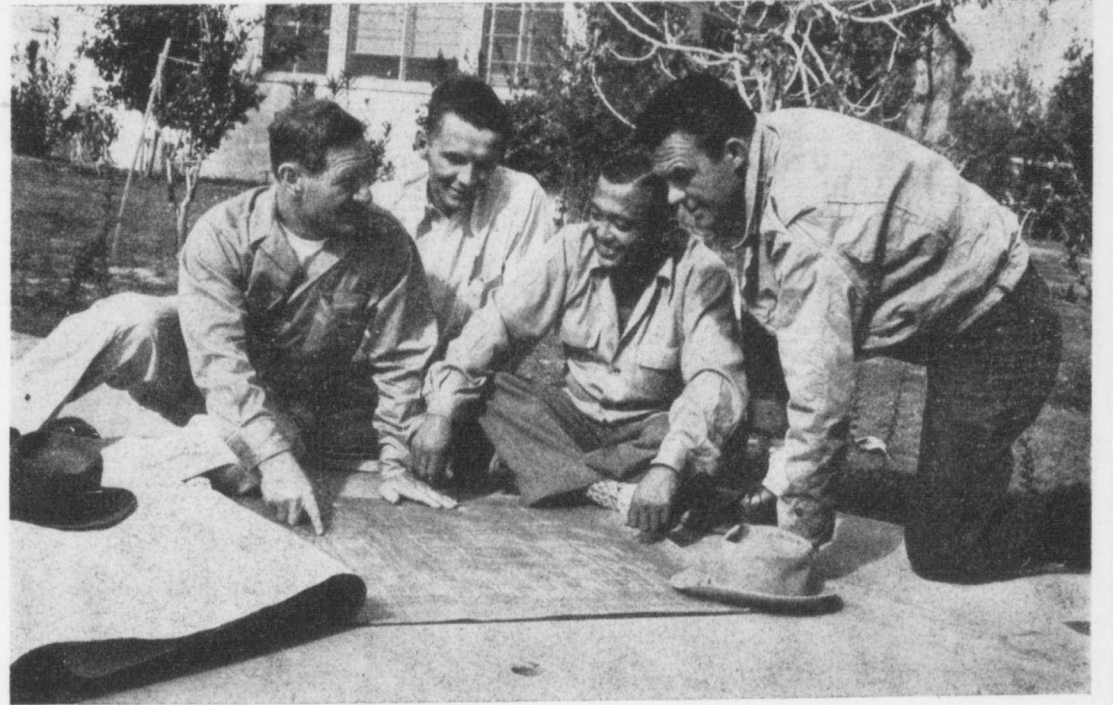

The eclipse was total about 1600 miles west of Palm Springs. And California was tops again. Out here the eclipse was 39 per cent total—in the midwest only 4 per cent. In Florida, it was 16 per cent.

Plans for Four-Lane Thoroughfare Talked

Residents of Coachella Valley and Palm Springs, members of chamber of commerce organizations in the area and others interested in improvement of Highway 99 met yesterday with E. E. Wallace, division engineer, for the state highway commission with offices in San Diego.

The meeting in Indio had for its aim the widening and improvement of highway 99 to a four-lane divided roadway.

FRIENDSHIP that flowered in Jap prison camp over a period of 45 months blossomed into a business association here in Palm Springs. From left to right they are: Leonard R. Ward, Gordon Krysan, Jesus A. Garcia, a native of Guam, and John Barney. (Desert Sun photo.)

M. A. Charlston Elected Head Of Employers

M. A. Charlston, manager of the La Paz guest ranch, will head the Palm Springs Employers association for the coming year as result of the annual meeting of the association this week.

Other officers elected were William J. Walshe, vice-president; Merrill Crockett, secretary; Wilson O. Gibbs, treasurer.

TO SERVE on the board of directors with the above officers are: Frank Bennett, Lee W. Berg, Frank Bogert, Florian Boyd, Earl Coffman, Phillip Delano, Charles Farrell, Ruth Hardy, Harold Hicks, Milton Hicks, Barney Hinkle, Earle Strebe, George Strebe, Arthur Bailey, George Robertson, Stanley Rosin and Lyle Newcomer.

The membership expressed satisfaction with the wonderful progress made by the association in its first year of operation.

IT WAS at the Employers association instigation and support that the Village has the Veterans' Housing project. The association was responsible for the raising of the \$30,000 which was turned over to the city for their share of the funds.

They are also maintaining the free employment service which is handling a tremendous volume. By their fingerprinting and screening activity it is felt that a much higher type employee is being obtained.

Freeman Fowler, manager of the association was complimented on his handling of the association business.

Vandals Out in Front In Desert Sun Contest

The Village Vandals were away out in front today in The Desert Sun's exciting subscription contest but the Tahquitz Twisters were preparing for a great run as the campaign hit the midway mark.

The two teams of high school students were gathering in subscriptions and points at a speedy pace with Berry Wright and Marlene Watlet of the Vandals pacing the field.

The contest comes to an end Nov. 30 at which time prizes and commissions will be distributed and the contestants sit down to a Victory dinner.

The district was left \$500 in a bequest by Mr. Demuth and the first step toward expanding cafeteria service will be the purchase of a new refrigerator.

Members of the Veterans of Foreign Wars held their regular meeting Tuesday evening in the Fiesta House of the Desert Inn. Commander Chilton Bassett presided.

Four Former Prisoners of Japs Keep Pledge Made During 45 Months of Horror

Forty-five months in a Japanese prisoner of war camp is a long, long time for any human being to endure and still emerge whole of mind and body.

But four former prisoners of war, all of whom today speak lightly of their experiences that cost one his foot, and the other three, brutal beatings and long hours of labor, are today partners in the construction business in Palm Springs.

THEIR ASSOCIATION here was not just a happenstance, but a plan about which they dreamed during those long months in Japanese Prisoner of War Camp 1, near Fukuoka, Japan.

These four men, now Villagers for almost a year, who laugh and gladly talk about life now and business, are Leonard R. Ward, 45; John Barney, formerly of Great Falls, Montana; Jesus A. Garcia, 33, native of Guam and Gordon Krysan, 33, formerly of Manitowish, Wisconsin.

WARD, THE LEADER of the quartet and his buddies, have just completed their biggest building contract amounting to more than \$250,000, the Carmelita Hotel-Apartments and buildings. They have plenty of additional work too. Business that will keep them busy for a long, long time.

"But what do we care about time now," they all chorused almost at once. "We're planning to take our time from now on. You know, for almost four years we were hurried everyday and if we didn't, the little yellow men would knock our teeth out."

CHRISTMAS, 1941, was bleak for the four men. All but Garcia were working for the Pacific Naval Air Base contractors on Wake Island. Garcia was employed by Pan-American World Airways aiding in the construction of an airport there.

On December 23 after the Japs had overrun the handful of Marines doing guard duty on Wake, they, including 1265 civilian workers, were taken prisoners by

Riding Mishap Sends Visitor To Hospital

Investigating a call for help off to the side of the bridge path near the Casitas Del Monte, four young equestriennes found David Hoar, 44, prostrated on the ground in severe pain, the result of a fall from his horse.

The young riders were Ann and Sue Oliver, 15 and 14 respectively, Mary Pendry and June Greene, both 14. While Sue and June remained with the stricken rider, Ann and Mary reined their horses to the Smoke Tree Stables where they reported the incident to George Rasmussen.

Rasmussen notified police who rushed an ambulance to the scene. X-ray pictures revealed Hoar had sustained a fractured pelvis.

District Rent Control officer A. E. Jacobsen will be in the Village Tuesday and will hold a question and answer session in the offices of the Chamber of Commerce.

Police yesterday were seeking George W. Ettinger, reported to be a resident of Palm Springs, on a complaint charging he issued a \$10 check with insufficient funds in the bank.

The PUBLISHER'S Corner

by OLIVER B. JAYNES

TAKING THINGS FOR GRANTED is a habit with all of us. Doing our part is something that doesn't always occur to us. This is particularly true with an organization like a chamber of commerce. What's everybody's business is nobody's business.

It would be hard to find any businessman who wouldn't agree that every community should have an organization to promote the business and general welfare of the town. Business interests in Palm Springs should appreciate that it is particularly true with a community such as ours. But they don't. Not enough of them, at least. The Palm Springs Chamber of Commerce should have the wholehearted support and interest of every business and professional man and woman in the Village. It needs your favor as well as your funds.

Public spirited individuals, who give generously of their time as well as their money, are always worked to death. Those who do not give their time should be particularly appreciative of the ones who do.

EVERY BUSINESS in the Village should be represented at the Chamber of Commerce meeting tonight. The group will meet at the Desert Inn at 6:30. It's still not too late to attend. While reservations should be made, you can likely get a seat. By your attendance you can show an interest in the community's most vital organization. Every business profits through the many functions of the Chamber of Commerce—in many ways they probably do not realize. Every business should have an interest and an investment in the organization. Only through the cooperation of all can the job be done effectively. In addition to normal functions, the chamber is this year assuming the responsibility for publicity and advertising for Palm Springs. There will be no separate campaign for this purpose.

IF YOU WERE PRESIDENT or a director of the chamber, you would be out working hard every day for the organization. The least you can do is to attend the dinner meeting tonight and lend your moral support and encouragement. President Florian Boyd has urged you to be there, and an interesting meeting is assured.

Business doesn't come as easy as it used to. Palm Springs needs promotion—needs advertising and publicity—needs planned event to attract visitors and new residents—needs coordination of effort in all. Only the Chamber of Commerce can provide these things.

Who must provide for the Chamber of Commerce? You and you and you!

Two Held in L. A. For Burglary and Theft Probe Here

Edward Lynch, 20, 1553 Hudson avenue, Hollywood and Floyd Gregory, of Los Angeles, arrested by Los Angeles police on suspicion of burglary are reported to have assertedly confessed to the theft of an automobile from Palm Springs last Saturday night.

The automobile was reported stolen by its owner, A. B. Crist, from in front of 1871 North Palm Canyon drive.

A COPY of the confession obtained by Chief of Police August Kettmann is reported to recite the visit of the two men to Palm Springs last Saturday seeking work and, failing in this quest, a tour from automobile to automobile allegedly pilfering small articles.

Kettmann said that Gregory and Lynch then found the automobile belonging to Crist with the key in the ignition lock, and started driving for Los Angeles. Near Redlands, Lynch who was said to have been operating the stolen automobile fell asleep. The automobile went out of control and turned over three times, landing upright on its wheels.

Lynch and Gregory abandoned the automobile and in attempting to hitchhike to Los Angeles, were picked up and interrogated by police. They explained to the satisfaction of the police the bruises on their faces sustained when the car overturned and proceeded to Los Angeles.

ARRESTED by Los Angeles police on suspicion of burglary Lynch who is said to have confessed to the theft of the Crist automobile, implicated Gregory who was picked up by police at a dance hall later.

Kettmann said that Gregory had a prior record of four arrests and was confined in an insane institution for more than a year. The automobile was towed to a Redlands garage Sunday morning according to police reports in that city. Through some oversight, the authorities neglected to report the discovery of the stolen automobile which was teletyped by the Palm Springs Police department to all points in the state.

vice-commander, Stanley Schmidt, provost marshal, Bill Morrissey, chaplain; Ward Copeley, finance officer and Grant Wood, post adjutant.

Taking the oath of office as members of the executive committee were Wilbur P. Davis, manager of the Colonial House, Joe Fuller and Rashall.

FOLLOWING a delicious buffet dinner of barbecued ribs and chicken served by Hank Smith, manager of The Stables, Vallee started the introduction of the speakers. City Manager William Alworth charged the members of the Amvet post with their duties as citizens, and commended the organization for the spirit shown since organizing in Palm Springs.

"It's your duty," declared Alworth, "to take your older brothers by the hand and lead them down the path of righteousness and rectitude."

O'Sullivan in addressing those present, explained the high aims of the Amvet organization and explained why Amvets was organized.

HE PAID HIGH TRIBUTE to American Legion and the Veterans of Foreign Wars and then went on to declare that the bond between men who served in the same war was the inspiration behind the organization of the Legion and the VFW as it was in the creation of Amvets throughout the nation.

State Commander Prentice Smith administered the oath of office to the incoming officers. Following this short ceremony Commander Smith then inducted the following new members who were present:

Lee Bering, president and manager of the Palm Springs Tennis Club; Tom Lyons, his son-in-law, former World War II aviator; Jim Nitch, proprietor of the Desert Camera Shop; Tom Kennedy, photographer and former naval flyer; Marty Kenyon of the Desert Camera Shop; John Pagoria, Chicago Sun photographer on leave of absence here; police officers John Herrera, Durman Ordway and Charles Valentino.

STANDING IN LINE with the new members and taking her oath of allegiance was former war nurse Lorraine Harper now on the staff of the Palm Springs Community hospital. Approximately ten additional new members arrived too late for the swearing in ceremony.

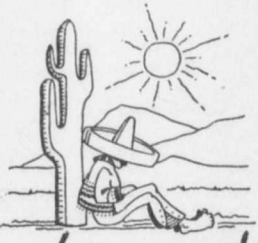

Father Michael O'Connor, pastor of Our Lady of Solitude Catholic church then stepped to the microphone and delivered the benediction blessing the organization, and asked for divine guidance of the new officers.

THE GREATEST ARRAY of talent ever presented in the Village since Sophie Tucker performed at the old Dunes, then took the stage with one scintillating act after another, under the able handling of Vallee.

Opening the show with a bang was the Western Trio from the Hitching Post. Attired in Western outfits the trio of girl entertainers sang several songs. They were followed by the Novelettes of the Chi Chi, three instrumentalists who had the crowd roaring with their comedy routine.

The Charles-Rascho Duo of the Pogo Pogo then took the stage to give a stellar performance with their playing of the piano in combination with drums and cymbals.

RUDDY WORTH of Mr. Dees had the crowd applauding him for his performance at the piano and then called upon his bride

Connie Barlow of the Dunes accompanied by Fred Witmer, had the crowd listening with rapt attention during the three songs she rendered. Fred Skinner of the Circus Room accompanying himself on the piano sang three ballads for which he received a continuous round of applause.

Julie Mitchum of Mr. Dees held those present enthralled with recitations on the floor of the large dance floor and then on the stage with her singing accompanying herself on the piano.

Danny Gaunt, a late arrival, held those present spellbound with his piano playing and then accompanied Peggy N. Wallace in her singing. Highly talented, Miss Wallace, only 17, lives in Palm Springs with her parents.

Don Artz of the Pogo Pogo and Dave Lyons of Mr. Dees presented the prizes that were given away during the evening.

CLIMAX of the show was the entertainment rendered by Rudy Vallee. In addition to his singing which held the crowd in silent attention, the famed artist had them roaring with a ventriloquist act, equal to anything Edgar Bergen has done with Charley McCarthy.

Macartneys Back In Village After Summer of Travel

Mr. and Mrs. John R. Macar-
tney have returned to Palm
Springs after an eventful sum-
mer of travel and are now again
at their home, 645 Camino Real.

During the summer, prior to
their annual sojourn on Orcas
island in Puget Sound, they
toured the national parks, Teton,
Estes, Yellowstone, Glacier and
Yosemite.

THE DAYS at Orcas island
were spent in fishing and lazing
around. Dr. Macartney con-
ducted services at the East Siund
church on Sundays. Numerous
Villagers visited them at their
island home.

Enroute home they stopped at
Yakima, Wash., to visit Mr. and
Mrs. C. M. Holtzinger, winter
residents here. At Petaluma they
visited Mrs. Joseph P. McNear,
also a winter resident. Mr. Mc-
Near, well known figure here in
past winter seasons, succumbed
this summer. He had been 60
years in one business.

DR. MACARTNEY, who retired
as minister of the Community
church here after 11 years of
active service which rounded out
50 years in the pulpit, preached at
several churches on his way
south, including the Cavalry
Presbyterian church at San Fran-
cisco.

Although retired and deserving
a long rest, Dr. Macartney plans
to do interim work to fill pulpits
at churches temporarily without
a minister or at churches await-
ing the arrival of a new pastor.
In this latter category, he will

National Art Week Observance In Village Termed Great Success

(Contributed)

The reaction to National Art
Week in Palm Springs was en-
couraging. From the point of
view of artist, visitor, merchant,
and villager, the exhibition was
a huge success. The organizers,
J. Marie Ropp and Jeanne Coutts,
did yeoman service. Marie Ropp's
reply to praise that came to her
from every side was, "With the
close of National Art Week, we
feel very grateful for the oppor-
tunity we had to make our
contribution to the social good
through the medium that all en-
lightened souls understand—art.
We are hoping that this initial
effort on our part, this start
which is now the nucleus, will
be the signal for a relatively en-
dless expansion of the creative
work of desert artists. The pio-
neer efforts of the no longer ex-
isting Gordon Coutts Art Gallery,
The Desert Inn Gallery and the
Little Gallery of the Desert, Des-
ert Hot Springs, the two latter
sponsored by Nellie Coffman and
J. Marie Ropp, respectively are
now bearing fruit. This initial
display, the Mile of Paintings in
Palm Springs is the result of their
efforts. We wish to express our
appreciation for the generosity
and willingness to co-operate on
the part of the merchants, hotel
owners and theatre managers.
National Art Week of 1947 has
made our community more art
conscious! As Priscilla Chaffee
wrote in Palm Springs Lighthouse
quote: "Artists make a great
contribution to a community.
They bring to it character, origi-
nality, and interest. Those are
rich gifts!"

GRATEFUL for the way in
which the towns people co-
operated and for the adulation
bestowed on her, Jeanne Coutts
said, "In 1945, Ralph Pearson
conveyed in the Art Digest, the
ideals we, the art lovers in the
desert are striving toward in our
efforts to secure a Desert Art
Gallery. Mr. Pearson's article
dealt with the advantages of a
cultural center for New York
City. He stressed the point that,

"We fought the war to
preserve western civilization.
Civilization attains its enduring
significance in the arts. An op-
portunity for all the arts to func-
tion for all the people in a city
center of this kind, would pro-
vide dramatized realization of the
very essence of the war goals for
which millions fought, suffered
and died. It would be an honor-
ing perpetuation of the ideal which
in times of peace is so easily for-
gotten, so sorely buffeted, and
often murdered by the raging
conflicts of national and individ-
ual self-interests. The call to the
battle of ideologies is in itself an
act of civilized living."

ENTIRELY in agreement with
Mr. Pearson's sentiments, Jeanne
Coutts continued, "If in time,
Palm Springs can achieve an art
gallery, it, too, will have built
its memorial. Next year, if we
still haven't a gallery, we hope,
with the merchants generous co-
operation, to follow the example
of John Wanamaker's New York
store and as it did for National
Art Week, this year, feature a dif-
ferent artist each day, work in
one of their show windows, some
painting portraits, others paint-
ing landscapes, and sculptors
modeling in clay for the benefit
of observers lined up to watch.
May the ambitions of our pioneer
artists, who had the courage of
their convictions, continue to in-
spire those of the present. If so,
we shall have a finer, more ad-
vanced Palm Springs. The mer-
chants and villagers have shown
the way of co-operation. From
the best of the old, the artists
and the people will build toward
the true cultural idea."

Both men and women of an-
cient Egypt often placed a lump
of highly-scented unguent on the
head to wear at festivals.

The Communists are just using
unions as a democratic vehicle to
anti-democratic ends.—Walter
Reuther, vice president C.I.O.

Find Peace ...

the yellow conquerors.

All of the civilians were held on the island to complete fortifications for the Japs and then Ward, Barney, Garcia and Krysan were four of 260 prisoners sent to Japan. For the first year and one-half all were imprisoned in Camp 18, seven miles from Fukuoka and then they were transferred to camp number 1 in Fukuoka where they worked, slaved, withstood the abuse of the Jap, froze in the winter and hungered for food 12 months of the year until liberation by U. S. Marines.

IT WASN'T UNTIL they returned to the United States that they learned all civilians taken on Wake Island had been given up for dead and of the brave struggle waged by Mrs. Leonard Ward, with state officials, the American Red Cross and others to find out if they were alive. Mrs. Ward didn't want to talk about her part in finding out about her husband and the other civilians who had been taken prisoner on Wake Island but Barney recited the story as he learned it on his return to this country.

He said that Mrs. Ward had gone to the American Red Cross and asked that organization to find out about the civilian prisoners of war and particularly about her husband. Field offices on the Pacific coast, Barney recited, informed her that they could only obtain information about military prisoners of war and referred her to the state department.

THE STATE DEPARTMENT in turn referred Mrs. Ward back to the American Red Cross. Finally she went to work in a defense plant and joined both the AFL and CIO. Once a member she prevailed upon the latter organization to withhold its annual Christmas gift from the Red Cross until they obtained the information she was seeking.

The Red Cross was able to obtain information about all of civilian prisoners of war taken in the Pacific with the exception of those imprisoned on Japanese soil.

SOMEHOW, Barney continued, Mrs. Ward learned that Cardinal Spellman was due to leave Washington, D. C. for Rome and she went there to see and plead with him to try and find out about the welfare of those about whom she was seeking information.

Cardinal Spellman on his arrival at the Vatican in Rome sought out the Japanese delegate to the Vatican and finally through him—was successful in obtaining the information which brought joy to the hearts of the wives and relatives of the civilians incarcerated in Japan. For some it was sad news because of 262 prisoners only 170 survived. The others died of malnutrition.

The first letter Ward, Barney and Krysan received from their loved ones at home was two years after their capture.

Mrs. Ward was also successful in obtaining a continuance of the salaries the men had earned when employed on Wake Island prior to their capture.

"We'll never forget the interest she took in us," declared both Krysan and Barney.

AS FOR GARCIA, born and raised on Guam, the stories he heard about the United States of America whetted his curiosity. When he was finally returned a free man to his native island his main objective then was to get to this country.

He was successful and on arriving in Oakland and then traveling by bus to San Francisco, his wildest dreams of the marvels in this country, he said were realized.

"Never saw so many people before," he recalled. "And the tall buildings and streetcars, it reminded me of pictures I had seen in magazines."

TOWARD THE END of his incarceration Barney sustained a serious injury to his leg which required its amputation.

"The Japanese doctors did the operating," he said. "I was in the hospital for 90 days and then back to work for the Japs," he

smiled about that tragic episode in his life now.

Krysan met Miss Margaret Keaver in Palm Springs and last summer made her his wife. She is employed in the administrative office of the Palm Springs Com-

munity hospital.

"Building a home here" proudly declared Krysan. "We both like this town and intend to make Palm Springs our permanent home."

Expansion

School District To Add Three Buildings

Request to the state board of school house planning to send a representative here to study proposed sites for new school buildings was forwarded by the Desert District board at their November session.

New buildings for the district are proposed at Rancho Mirage, Desert Hot Springs and on Ramon road in the Village.

Miss Katherine Finchy, district superintendent, said construction would start as soon as possible to relieve the present over-crowded conditions.

IN PALM SPRINGS they will be greeted by local WAL representatives and Chamber of Commerce officials who are arranging the welcome.

Winter Resident Taken by Death at San Francisco Home

Russell W. Longstreth died in San Francisco, Monday, after a very short illness. He had resided in San Francisco and in Palm Springs for the past nine years.

He was west coast representative of the Frigidaire division of General Motors and during the war was a regional director of the War Production Board and previously was sales manager for Frigidaire in Denver, Colorado.

Mr. Longstreth is survived by his wife, Jerry H., and his son, Harrison F., a student at the New Mexico Military Institute at Roswell, New Mexico, and by his mother, Mrs. Charles Longstreth of Denver, Colorado.

Funeral services were held at Halsted Mortuary at 2:30 p.m. Wednesday. Interment was at Woodlawn Cemetery.

Sonic depth surveys show that mud on the sea bottom is 9,000 feet deep in places.

Social Medicine Is Bad Medicine Says Noted Doctor

"Socialized medicine is the
first planned step in the regi-
mentation of the United States,"
declared Dr. John W. Cline in an
address before the Rotary Club
here this week. The speaker, who
is president of the State Medical
association and professor of surgery
at Stanford, said that "state
medicine is bad medicine and po-
litical medicine is worse."
Dr. Cline pointed out that
health insurance is provided in
this state by the California Physi-
cian's Service, the Blue Cross
organizations and a hundred pri-
vate insurance companies. While
these services only provide group
insurance, the speaker said, about
two million people now have
some form of health insurance.

CITING THE EXPERIENCE of
countries which have socialized
medicine, Dr. Cline held that it
has not accomplished the desired
ends; has not improved public
health, has made the medical
profession unattractive to young
men and increased the tax
burden.

"The results of socialized medi-
cine," the speaker declared,
"would be regimentation of the
patient and the doctor, limitation
of choice of a physician, political
preferment, destruction of initiative,
creation of more bureau-
cracy and higher taxes."

"**SOCIALIZED MEDICINE** is
fostered by those who want to
change the social and political
theories in the United States,"
Dr. Cline concluded, "for an
ideology that demands govern-
mental regimentation."

Dr. Harold Behneman, member
of the club, introduced the speak-
er, saying that Dr. Cline is one
of the best informed men in the
country on the subject of social-
ized medicine, having studied it
for many years.

What Goes on in Palm Valley

By DON CAMERON

Northern California was very
much in evidence out our way
this week. From Oakland Helen
Reichel's father and mother, the
John Ross Smiths were here for
the week. They attended the
Amvet dance at the Stables with
Bill and Helen. The Galen Drury
from Piedmont, (he's an oral
surgeon up there), spent a few
days on their date ranch. Agnes
Welsh, owner of the Drake Hop-
kins hotel on Sutter street in
San Francisco, amazed at the re-
cent development in Palm Valley.
The William H. Barrys, (he's
president of the James H. Barry
company) publishers, on South
Van Ness, leased the Ernest
Waltz's house.

Mention of Art Week in town
reminds me that Carl Hoerman
has returned from Saugatek,
Michigan and re-opened his stu-
dio. Louis Krupp, noted portrait
artist, whose studio you cannot
miss on Hiway 111, stayed
throughout the summer to super-
vise the building and it is very
attractive.

JOHNNIE PAGORIA, well
known photographer, on leave of
absence from the Chicago Sun
stopped by to say "hello!" He
was official photographer at the
Palm Springs Air Base in 1944
and 1945. His career began under
the able auspices of Norman Wil-
liam, now vice-president of the
Mollin Investment Company,
owners of Palm Village. That was
back in 1933 when Norman was in
the newspaper business in
Chicago.

Palm Desert hit a new high in
sales over the past week accord-
ing to Edith Ward. She said
"among the buyers, were Mrs.
Hudson B. Werder of the Gour-

met Restaurant and Henrietta and
Lillian Wadsworth of Sportsmen
Tavern in Monrovia."

REEF SHEA, head man of the
R. P. Shea Company tells me he
is whipping up a new office and
store building for Carl Hender-
son across the Hiway from Palm
Village Inn.

On the Hillery Cobb property
near the turn-off to Wonder
Palms, the Acme Stone and Brick
company of Alhambra and Los
Angeles came into evidence this
week, setting up a yard to sell
all kinds of brick, flagstone and
materials for patios.

Visiting the Glenn Gurleys at
Palm Village, the Jerry Fishers
of San Jose. With Claire Leahy
for the week were her niece
Nancy and husband Van Kelsey,
who were recently married in Los
Angeles.

In the Coachella Valley hos-
pital for a check-up, is Estell
Ewart, well known here.

Shangri-La Palms Development Fast, New Homes Rising

Hamilton Buckman, owner of
the Del Mar, Olympic and other
well known southland hotels, is
proceeding rapidly with the de-
velopment of Shangri-La Palms,
in the desert area to the east of
Palm Springs and a young city
is growing in the section across
Highway 99 out Ramon road.
Several new homes have al-
ready been completed and 12
more are under construction.

Annual Armistice Party of Auxiliary Delightful Affair

The Desert Inn was the scene
of a most delightful party Tues-
day afternoon when the Owen
Coffman unit, American Legion
Auxiliary was hostess to thirty-
two tables of bridge players at
the Armistice Day benefit tea.
Other guests joined them for the
tea hour.

Highlight of the party was the
awarding of a beautiful painting,
"Smoke Tree 'Neath Mt. San Jac-
into," which was a gift to the
auxiliary from the artist, Paul
Grimm. Mrs. John M. Connell was
the lucky recipient.

Stephen Willard, Palm Springs
artist, was the donor of five beau-
tiful black and white desert
scene prints which were given as
prizes. Miss Ruth Sushan, Thomas
M. Holland, and Harold E. Mur-

door prizes. Winners were: Mrs.
Helen Grier, Mrs. C. V. Knupp,
Dr. Georgiana Raymond, Mrs.

EAST AND WEST—Dr. Margaret Chung, noted Chinese-American physician (left) and Lily Pons, famous opera star, relax in the sun at the Tennis club. (Desert Sun photo.)

Famous Chinese Doctor Guest of Noted Opera Star on Village Visit

Kipling was wrong when he said that "the East is the East and the West is the West, and never the twain shall meet."

Miss Lily Pons, diminutive opera star born and raised in Paris and Dr. Margaret Chung, reared in San Francisco, but whose parents came from the Orient are dear friends. Close to each other and great admirers of each other's talents.

"Why we've known each other for more than 12 years," declared the Chinese woman doctor.

"We met a long time ago," echoed Miss Pons, "and we are very good friends."

AS A MATTER OF FACT the doctor left her home in the Bay City, "a city I just hate to leave," she said, "to come down and spend a few days with Miss Pons in Palm Springs."

And talking about cities, both the opera star and her friend the doctor had definite ideas about the cities of their love.

"For me," said the doctor, "there is no place like San Francisco. No place," she emphasized. "There are only two cities in the world for me," said the French opera star. "Close to my heart is the city of Paris. It was where I was born and raised. The other city I love just as much and which reminds me so much of Paris, is San Francisco."

Comparing Los Angeles with San Francisco, Miss Pons had a few words to add members of that city's chamber of commerce will not like.

"Well," Miss Pons continued, "the people in San Francisco, they are different than the people of Los Angeles. Up there, and by 'up there' she meant the bay city, "the people go first class. They are different. They like good things, good music and the opera—they just love the opera up there."

Dr. Chung who sat listening nodded her head in approbation.

Dr. Chung is known as the "mother of the flying Tigers." During the war she "adopted" 850 American army air men. Two of her "sons" now with commercial air lines in the southwest greeted her in Los Angeles on her way to the Village.

THE TWO WOMEN were being entertained at luncheon at the Palm Springs Tennis Club with their host and hostess Mr. and Mrs. R. H. Grant.

About Palm Springs Miss Pons who is now enjoying her sixth two week annual vacation between winter engagements in the opera.

"My schedule always includes a rest period in Palm Springs after the opera in San Francisco and Los Angeles," declared Miss Pons.

SHE SPOKE about her recent illness in San Francisco when she was forced to forego an engagement on the stage due to an at-

WAA To Return Former Streets To Palm Springs

Within the next ten days the City of Palm Springs will again be in possession of those streets in and around the former Torney General hospital taken over by the government during World War II.

Fences and gates will be removed and for the first time in years, it will be possible for motorists to drive directly to their homes instead of detouring around the old hospital grounds. It will also mean a saving in time for city services.

Streets to be returned are: Tacheva Drive from Avenida de Los Palos Verdes to Via Miraleste; Via Miraleste from Tacheva to Via Eytel; Via Valmonte and Camino Real and also a 30-foot easement along the south side of the former 20-acre prisoner of war tract.

tack of influenza.

"I agreed to go to a banquet in my honor," she said, "some thing I never do as a rule during the opera season."

She attributed her illness to staying up late nights and becoming tired.

MISS PONS' famous husband Andre Kostelanetz, noted conductor, is in St. Louis tonight and from there he must go to New York City to make recordings.

"This man Petrillo. He is making the recording companies work like mad," Miss Pons claimed. "My husband he will be making records steadily in New York before Petrillo stops the music unions from recording any more."

Dr. Chung left Palm Springs by Western Air Friday evening and Miss Pons will leave for Iowa next week, she said.

NELLIE COFFMAN DAY

As one of the participants in the unique and heart-warming birthday party tendered Palm Springs' First Lady, Mrs. Nellie Coffman, on the first inst., I wish to convey to you my personal appreciation for your fine portrayal of an event that may be copied elsewhere but cannot be duplicated. Your splendid story and true to life pictures will enable a great many of her admirers, unable to be present, to visualize a demonstration of affection and respect all too seldom accorded one yet living.

Her contribution aided by her two fine sons, to the growth and development of a theretofore wasteland area has brought pleasure and health to countless thousands of our people and the recognition of that achievement by an entire community was a most exceptional event.

As a "friend of the family" for a third of a century, I again say "Thank You".

Cordially,

Carl E. McStay.

YEARNs FOR DESERT

I suppose you are wondering why you should be getting a letter from half way round the world. But to be perfectly honest with you it's from a very homesick Desert Lover. I have just come home to Australia after five years in your wonderful country, specially California, and one and only Palm Springs. I spent a good deal of time in San Francisco, and it wasn't until I was so ill and the doctor told me to go to the desert that I had any idea that there was such a beautiful place. Well, since I have been back, people have asked me about the States, and I always seem to come back to the beauty of the desert in the early morning hours of the dawn (yes, I have been up that early) and the most glorious sunsets in the world, bar none. There is something in the desert that gets into your blood that you don't realize until you leave it, if you miss it over there, you can always pack up and leave at once back to its quiet and undisturbed beauty. But when you are over seven thousand miles across the broad Pacific, all you can do is just dream of the wonders of its vastness. Now I come to the reason for this letter. I have been doing some paintings from memory of the desert and mountains, also the horses and cowboys, and the idea of western life, Australians are terribly interested in America, and anything new is very thrilling for them to learn about.

I was wondering whether it would be too much trouble to you to send me a few copies of your newspaper, as I would love to know what is going on. (What woman wouldn't?) also if you should have any spare pictures that you might like to send to me, they would be more than appreciated. At the moment I am doing a few little sketches of life on a dude ranch that are being published in the Sydney papers. So any pictures that you

could send me, I certainly would love to have.

If Doc is still there, I'm sure he will remember me, he certainly used to take some beautiful photos, please remember me to him.

I do hope you have had the patience to read this letter. I'm sure you understand it, or you wouldn't live in Palm Springs yourself. Hoping to hear from you very soon, I want to wish you every good wish for a happy season, only wish I was there.

Very sincerely,

Circus Directors Start Plans for Big Event Today

Dates to be Fixed, Officers Elected, At Noon Meeting

Directors of the Desert Circus were scheduled to meet at noon today at the Desert Inn to set the 1948 version of the famed Palm Springs event in motion.

Frank Bennett, president of the Circus association, will preside.

Election of officials and directors for the 1947-48 year and consideration of recommendations from the executive committee are the main items on the agenda.

EXECUTIVE COMMITTEE members, in session late in October, adopted a resolution recommending that next year's circus be held a month earlier than this year's event. Dates suggested by the committee and presented to the full board today are from March 10 to March 13.

Committee members pointed out that Easter in 1948 falls about as early as Easter can occur, March 28, and urged that the circus be held before that date. This spring the circus was held in April.

EMPLOYMENT of a business manager for the Desert Circus was also recommended, the committee agreeing that the event had grown to such proportions that a full-time coordinator was essential to its success.

Many other items of importance to the noted spring event here were to be presented to the directorate today.

Norway has a 12,000-mile coastline, but the distance around it is only about 1,000 miles.

GUBERNATORIAL VOCALIZING in a strong accent of Dixie, featured a night of singing at The Stables with "Smiling Jim Davis, Governor of Louisiana giving forth with his favorite compositions, "You Are My Sunshine," and "There's a New Moon Over My Shoulder." The North and the South met politically too, when Col. Jack Arvey, annual winter visitor here and Boss of Chicago, exchanged views anent the "health" of the Democratic party in this country. Left to right, Governor Davis, Charley Morrison, owner of The Stables, and Col. Arvey.

Singing Governor of Louisiana Heralds Desert Sunshine in Song

"It was a star-studded night, the Hollywood kind I mean, and the place was packed from door to door," declared "Hank" Smith, manager of Charley Morrison's Stables, in reporting that singing Governor Jim Davis of Louisiana freely contributed a share of the entertainment one night last week.

"You should hear the way that tall Southern gentleman from Louisiana sings 'You Are My Sunshine'! He had everybody singing it and the place rocked with music," continued Smith whose soft spoken drawl places him as a native of the deep south and a lover of hog-jaw and mustard green mixed with some black-eyed peas.

THE GOVERNOR spent two nights and three days at the Villa Hermosa in company with Steve Broidy, motion picture executive and at whose studio the Louisiana's chief executive is appearing in a picture.

In addition to many Villagers present on both nights at The Stables were Carmel Wilde, Virginia Field, Sally Eilers, Ted Downey, Rudy Vallee, Bill Hollstein, Bill Powell and his wife Diana Lewis, Eddie Haas, Hollywood attorney, Col. Jack Arvey, Democratic leader and political boss of Chicago.

TWO YEARS AGO when Gov. Jim Davis was in Palm Springs he sang that same song, "You Are My Sunshine" and it went out over the air.

Back in Louisiana it was

raining that night and how. A constituent, huddled over his radio trying to keep dry, heard his governor singing about the Palm Springs sunshine and became irked. He called long distance to protest vigorously, saying it was raining so hard the roads were all gummed up.

I'm both pro-labor and pro-capital, but I've never let either interfere with my judgment.—Federal Judge Frank Picard of Michigan, who rendered portal pay decision.

"Dead Man's Fingers," a coral-life formation found in the ocean, so closely resembles the human hand that it is frequently mistaken for one when found on the seashore.

A Big Time Was Had by All

Variety of Games, Picture Taking, Booths
And Just Plain Fun Mark High School Event

One and all turned out for the spectacular affair on the P.S.H.S. campus Friday night. There were all sorts of booths with lavish decorations. One of the main booths was the ball throwing with the objective of upsetting a bucket of water on some poor soul, (the poor souls of the evening were Vajsabel and Borden).

The bingo table was the center of attraction for the adults during the course of the evening. From the Freshman booth people were sending and receiving all sorts of telegrams.

At the penny-pitching booth was also the voting containers for king and queen who were coronated at the dance which followed. The carnival king and queen were Eddie Weiss and Gerry Williams. DuBose had a busy evening at the photo booth. The sale on hot dogs, candied apples, and so forth was pretty successful.

The ring tossing and roulette

wheel got their share of attention as well as the basketball booth. Some of the prizes were balloons, combs, and cakes.

Vicki Matloff's fortune-telling was quite a sensation. Not to be left out was the spook-house—when a person is blindfolded, liver and spaghetti are enough to give anyone a qualm.

There was an amazing species of character running around scaring little children and making adults swear off drink. I later found out that it was none other than our favorite gal, Jackie Kingsbury—better known as "Bug".

The weird sound of floating through the air was due to the fact that Hensen had all the musical instruments out and an assortment of small children were playing by ear. (They must have been deaf).

All in all the carnival was a huge success.

School Closes at Noon to Let All Attend Grid Game

Palm Springs High School closed its doors at 12:30 today so that the student body might attend the afternoon football game with Sherman at Riverside.

To avoid rush and insure safe driving to the games, school will end at this earlier hour so that there will be plenty of time for lunch and travel.

Classes will begin at the usual time, 8:30 a.m., but the periods will only be thirty minutes long with five minutes between classes.

Nutrition, activity and lunch periods will be omitted and school will be dismissed at 12:30 p.m.

Transportation to the games will have to be self provided since one bus will be used for the team and the other for students who will not be present at the games.

Next Friday a similar program is in effect for the Perris game at Perris. This will be the last game of the season.

It would be to the public's interest if government let management and labor settle disputes in their own way without interference.—Henry Ford II.

Falcons kill their prey while in full flight by striking a blow with their half-closed talons.

On The War Path

By MORT GILBERT

The "B" team last Friday was defeated at Beaumont 7 to 2. All the scoring took place in the final quarter with the lads from Beaumont scoring on a thirty-yard pass. The Indians pushed to the one-foot line and then lost the ball. Vajsabel then blocked a kick in the end zone for a safety.

The varsity members were quiet over the week-end in preparation for their encounter with Sherman Friday. The team is in good condition physically and mentally. Maybe this is the week for them to get back on the "Victory Path".

ON PICTURE HOGS

Are you a picture hog? Do you always try to get into the act? Well, you shouldn't, you know. After all, just because you want to look at your face when the picture is done, that is no sign everyone else wants to. The photographer tries to get a good picture and there you are again making an awful face at him right in the middle of the crowd. Do you really think you are that beautiful?

After this when someone is trying to take a picture, don't try to be the main attraction by sticking your foot, I mean your face, in the scene unless you're asked to. Remember "Fools rush in where angels fear to tread".—JOYCE BUCK.

County Doctors In Session Here

Riverside County Medical association, 116 strong, descended on Palm Springs Saturday evening for a delightful dinner meeting at the Tennis Club with all of the county represented.

Dr. H. F. Behneman was in charge of local arrangements.

Dr. John W. Cline, president of the California Medical association, was the principal speaker and his topic was "The Future of Medicine." Dr. Cline and Mrs. Cline are spending a few days in the Village and he addressed the Community hospital staff Tuesday night and the Rotary Club on Wednesday.

Without a united Europe there is no prospect of world government.—Winston Churchill.

73 Students Make Honor Roll With 18 on C. S. F. List

At the end of the first marking period of the school year, 1947-48, 73 students from Palm Springs High School made California Scholarship Federation and honor roll.

To be a member of the C.S.F. a student must have a total of 10 points earned from grades, each A counting 3 points, and each B counting 1.

Eighteen students made the C.S.F. rating. If their good work continues they will be eligible to wear the C.S.F. pins next semester. Members of this honor group have the highest grades of any students in school.

Fifty-five students made the high school honor roll. This means that they made a "B" average in all subjects for the first marking period.

The C.S.F. and honor students were reported this week as follows: Bentsen, Audrey; Bond, Charles; Coons, Virginia; Craker, Jeremy; Day, Richard; Frost, Mary; Gilbert, Mort; Nye, Nancy; Oliver, Susan; Pendery, Mary L.; Pierson, Patricia; Potter, Mabel; Schelman, Bob; Vallier, Lolo; Veano, Sandra; Veith, Hazel; Willis, Jim; Woods, Adele.

Armistice Day is Observed Under New Holiday Plan

Upsetting the school year calendar here was the requirement by the state law to observe as holidays Armistice day, Washington's birthday and Lincoln's birthday. The first one was Armistice day Tuesday. This time will be made up by a minimum day on the Friday following Thanksgiving. During the war the observance of these holidays was optional.

It was in regard to this problem that the principal, Dr. E. E. Oertel wrote to State Senator Nelson Dillworth "In Palm Springs we have some little difficulty in getting a minimum school year of 170 actual teaching days between the middle of September and the end of May. It is hard enough to start school around the middle of September in this desert area. Our trustees urge us to try to get a few days more than the minimum number required by law. In trying to stay within these limits we find that we must omit a spring vacation except possibly for Good Friday."

ON THE SUBJECT of the importance of the observance of these holidays Dr. Oertel wrote "We do not think that it is as important that November 11, be observed as a school holiday."

"This particular Armistice day has little or no meaning at this time. We believe that in a situation like ours Washington's and Lincoln's birthday would be better observed if school were in session and we had patriotic assemblies to commemorate the occasion."

"We believe that a bill should be introduced into the next session of our state legislature making it optional for school districts to observe holidays other than Thanksgiving, Christmas, and New Year's Day."

IN HIS ANSWER Nelson S. Dillworth wrote "I have been rather consistent in voting to preserve local home rule on most school matters."

"If the schools had remembered these anniversaries with suitable exercises or observance, the mandatory holiday bill would not have passed."

"I feel that legislation should be offered that will allow of local action to hold school on these days in hardship cases."

"This subject will be brought up again in the near future."

Chicago Capitalist Builds Club

New Desert Spa Under Construction Today
At Hidden Springs Ranch East of Village

For several months with a lack of publicity approaching secrecy a new exclusive club has been under construction in the beautiful oasis of Hidden Springs ranch. Construction has been under Richard F. McCarthy of Chicago and Pasadena and the establishment is scheduled to open in late December.

The improvements, nearing completion, include a main building with dining room and foyer, a large heated swimming pool, guest houses for approximately twenty persons and deluxe services quarters. A feature of the development is the rumpus room attached to the swimming pool with cabanas for non-resident members and guests of the club. The rumpus room will contain a grill, fireplace and musical facilities for the younger set and will open onto the swimming pool.

THE NEWEST desert club will be operated strictly as a club type of guest ranch offering a limited number of guest accommodations of the same class as the leading guest ranches of the Palm Springs district, but affording protective restrictions. Memberships will accompany ownership of estates in the ranch residential development, and may, at a later date, be made available to the public under the usual club procedures. The club is located on the east

ten acres of the ranch oasis among the extraordinary growth of tamarisk trees and is owned by Richard F. McCarthy Sr. and Doctor Horace S. Clay of Pasadena. Richard McCarthy Sr., who is well known to old time residents of Palm Springs as a former winter resident and home owner in the Tahquitz Estates at the south end of the city, brings to the development an unusual combination of experience for such undertakings. For several years he was active in the R. F. Conway company, one of the largest road construction companies in the middle west, with headquarters in Chicago.

HIDDEN SPRINGS RANCH is one of the outstanding developments of the upper Coachella Valley and located in Thousand Palms, nine miles east of the city. It is principally owned by Charles Doyle, a pioneer developer in Palm Springs, the originator and former owner of both the Deep Well and the Smoke Tree ranches in the city. Mr. Doyle retains ownership and active management of the large, 1200 acre estate project.

The complementary efforts of these two resourceful men in this exclusive residential project augers well for another distinguished desert community in the growing Palm Springs district.

Carroll Waller Heads New Lions Club Organized at Cathedral City

With Palm Springs Lions helping out in the organization, the new Cathedral City Lions Club started functioning Monday with Carroll Waller as president.

The meeting opened at 7:00 p.m. at the Town Hall, Lloyd Simon, president, Lion Lloyd gave a brief talk extolling the virtues and benefits of Lionism and told of some of the accomplishments of the Palm Springs club of which he is immediate past president and present membership chairman. He then introduced Joseph Finney of Banning, deputy district governor, who told why one should be a member of Lions International. Ray Sorum, president of the Palm Springs club, told how easy it is to be a successful president of a Lions club; first have a bang-up bunch of officers; second, pick those eat-em-alive go-getters for committee chairman; third, choose plenty of good projects for them to work on and then sit back and watch them go to it.

Curtis Newman, district chairman and member of the Coachella Valley club at Indio told of the unifying effects of Lionism as exemplified by his particular club which is composed of mem-

bers from Indio and three smaller towns in the vicinity.

Miss Palmer has appeared before clubs all over California, presenting lectures analyzing current trends and new books as well as special lectures. Her topic for Monday afternoon will be Harvesting Our Heritage.

Mrs. Harold Murphy, president, urges that all members be present to hear Miss Palmer and enjoy the informal tea hour that follows. Guests may be admitted by guests cards on \$1.20 fee.

Many Parties Mark Close of Big week End

Sunday was truly a day of parties and entertaining for Villagers and their guests; a fitting climax for one of the bigger weekends.

JOYA and JAYNO Tell All

We promised we wouldn't tell; but we didn't promise we wouldn't hint. Two nationally known tennis stars (we mean big stars) are to appear this week end in exhibition matches here. They are being sponsored by the Racquet Club and Tennis Club where they will appear Saturday (R.C.) and Sunday (T.C.) before members and their families. You'll be as excited as we are when you hear the news and the names.

Geoffrey (Tweeds and Weeds) Bill is in his new home in Little Tuscany. He had a small informal housewarming the other night when he entertained his architect, John Porter Clark and his wife, and Mariadna Borden. Geoffrey took a trip to England and Scotland this summer with his brother during which they ordered some "don't miss" new woollens.

The Paul Beldings entertained their hosts for the weekend, the Frank Davies for dinner at the Tennis Club Monday night. The party included the Russ Garners of Los Angeles. Paul found time between his Arkansas stories to tell a little about his new subdivision, Desert Palms Estates (not to be confused with Palm Desert). That's on the Indio road.

Now for a few words about the youngest set. Dickie Poliak, proud of his newly acquired ability to run the movie projector, amused a group of neighborhood children the other night by showing them home movies. His sister, Roberta, was on hand to help him in case anything went wrong. Speaking of ability, you should see Carol Malouf and Marylynne Odell on horseback. Saw the Bill Talbott's young son deeply puzzled over the in-

door waterfall at the Tennis Club.

A delightful dinner group at the Desert Inn the other night included Mrs. Frank Cutler, the Donald Locketts and their daughter, Shirley, the James Lakins, and Mrs. Cutler's two sons and their wives, the Robert Cutlers and the James Cutlers. The last two couples are here visiting with their mother from their homes in Portland, Ore.

Brief notes: . . . Nice to see Lee Bering up and about after his week's illness. . . . Dining at the Doll House, the Richard Dix. . . . Mrs. Robert Morrey, her mother who is visiting with her now, Mrs. Ralph Budd, lunching with Mrs. Upham Bigelow. . . . Mrs. Lena Rogers is back in the Village after a short trip into Los Angeles. While there she helped her daughter and son-in-law, Mr. and Mrs. Howard Edgar, celebrate their second wedding anniversary. . . . the Alexander Donalds, of Redwood City, are now at Smoke Tree Ranch. . . . Mariadna Borden is expecting a houseguest this weekend. Miss Florence Nealey of San Ysidro Ranch, just outside of Montecito.

We're off to get ourselves two Racquet Club hats. . . . not only because of the cold weather, but also to keep in style.

Scouts Guests Of Earl Strebe At Movie Party

Through the generosity of Earl Strebe approximately 150 Girl Scouts and Brownies had the thrill of attending a real movie premiere Friday night. Not only did the girls enjoy seeing the first showing of "The Return of Rin-Tin-Tin" but also met Rin-Tin-Tin III in person and his trainer who spoke a few words to the children.

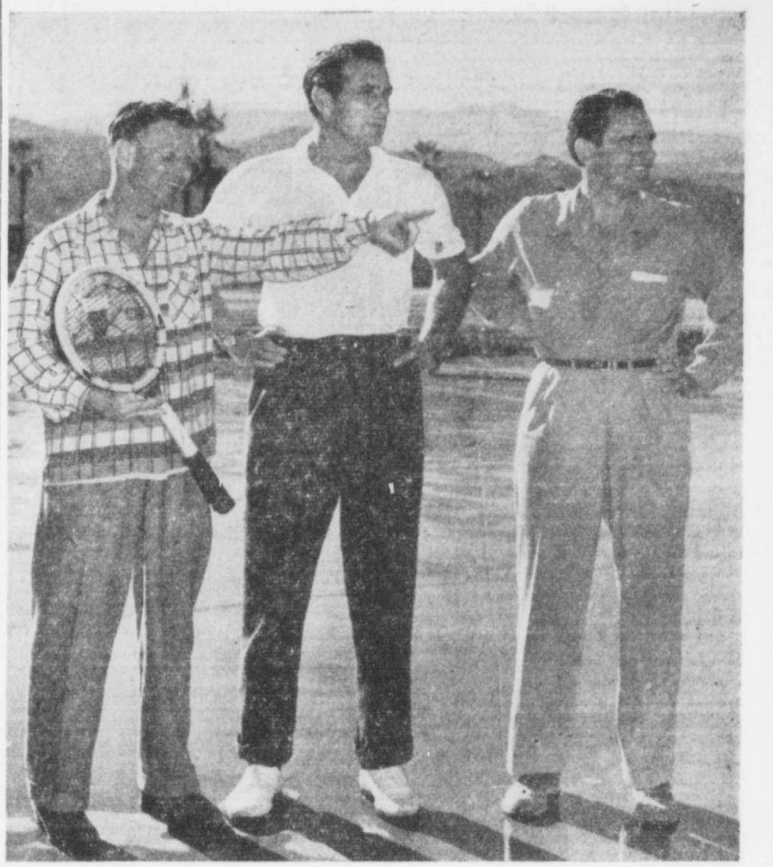

Nor did Mr. Strebe forget the Boy Scouts and Cub Scouts. On Saturday night a repeat performance was held for the boys who all seemed to have a wonderful time at their "movie party".

J. P. Seeburg Is Host at Dinner At Racquet Club

J. P. Seeburg, upon his recent visit to the Village was host to a party of friends at Charley Farrell's Racquet Club dinner dance Saturday evening. Among his guests were Mr. and Mrs. Vincent Marco who are dividing their time between their Beverly Hills home and the desert; Mr. and Mrs. Maurice Friedman; Mrs. Jack Berenfeld; Harry Jameson, president of the Arrow-Mill corporation; Rudy Vallee; Miss Brown; Dr. and Mrs. Joseph A. D'Alessio. Following the dance the party joined Mr. Seeburg for

Los Compadres Go Formal This Time, Due to Wedding

HATS! DARK SUITS! CAN THIS BE THE DOLL HOUSE? This is what happened Sunday night when a group of Los Compadres members switched from western to big city clothing but not without reason. They had all just been to the wedding of Babs Neel and Wendell Delano.

Among those having the merriest of times were the Kenny Pauls, Earl Houghs, Earl Neels, Elmo Purnells, Hutch Moselys, Ted Reeds, Cliff Campbells, and Harry Irvings.

In smaller parties having just as much fun were the Shelton McHenry, owners of the Tail O' The Cock, the Jack Gibas, the Larry Dohenys, Ken Schmidt and others. At another table were the John Archibalds with the Earl Tollisons and Judge and Mrs. Therieau. Enjoying dinner at a table for two were the Louis Haywards.

E. B. McGovern Family Will Be Back for Winter

The E. B. McGovern family of Seattle, regular winter residents in Palm Springs for years, will be back early next month to make their home here until May.

Mr. and Mrs. McGovern were in the Village a few days ago making arrangements for their winter stay and returned to Seattle. Mr. McGovern is attending a Pacific Fisheries association convention at Victoria, B. C., this week and following that, the family will make preparations to come to Palm Springs.

"From what I hear up here in the northwest there's going to be a big colony of Seattlites and Alaskans in Palm Springs this winter," he wrote.

It has been demonstrated that under intense heat, and in the presence of oxygen or air, the carbon in a diamond unites with the oxygen and the gem burns itself into a black, worthless crisp.

Palm Springs B's Lose Close Game To Beaumont, 7-2

One sustained drive and a quick forward flip ruined the Palm Springs high school B's when they battled Beaumont B's last Thursday and they wound up on the short end of a 7 to 2 count.

Outside of that one drive, the two teams were even. After three scoreless quarters, Beaumont took over on their own 30 and drove on the ground to the Palm Springs' 30. Then came the fatal forward which went the remaining yardage for the t.d. and the conversion kick made it 7-0.

The Palm Springs B's took over on the kick-off and engineered a drive of their own. It went all the way to the Beaumont 1-yard grab the ball on downs. Their stripe where the opponents attempt to boot out of danger was blocked by Vasajel, Palm Springs right guard. In the wild scramble for the swinehide, it was edged out of the end zone for an automatic safety and two points. The B line-up last week was Black, right end; Krings, right tackle; Vasajel, right guard; Hale, center; Wills, left guard; Fogel, left tackle; Davis, left end; Stone, quarter; Roberts, right half; Elmore, left half; Raphael, fullback.

Christian Science Topic 'Mortals and Immortals'

"He that loveth his life shall lose it; and he that hateth his life in this world shall keep it unto life eternal." This statement of Jesus from the Gospel of John will be the Golden Text of the Sunday Lesson-Sermon on "Mortals and Immortals" in all branches of The Mother Church, The First Church of Christ, Scientist, in Boston.
A Bible passage from John records that "there is at Jerusalem by the sheep market a pool. . . . And a certain man was there, which had an infirmity thirty and eight years. When Jesus saw him lie, and knew that he had been now a long time in that case, he saith unto him, Wilt thou be made whole? The impotent man answered him, Sir, I have no man, when the water is troubled, to put me into the pool: but while I am coming, another steppeth down before me. Jesus saith unto him, Rise, take up thy bed, and walk. And immediately the man was made whole, and took up his bed, and walked."

In "Science and Health with Key to the Scriptures" Mary Baker Eddy says, "Jesus beheld in Science the perfect man, who appeared to him where sinning mortal man appears to mortals. In this perfect man the Saviour saw God's own likeness, and this correct view of man healed the sick."

Loose Language To be Subject of Rev. Blackstone

At the morning worship service at Community church Sunday at 11 o'clock, the Rev. James H. Blackstone, Jr., will preach on the subject, "Hallowed Be Thy Name."

The morning service will be preceded by Sunday School classes for all age groups at 9:45 o'clock. Fifty boys and girls of the Junior chorus lead the early services.

"Thoughtlessly the name of God is often used in a manner that shows lack of respect and reverence for Him," said the pastor. "Should the Holy Name of the Almighty be thus lightly used in jests, in anger, or as an ejaculation? Thou shalt not take the Name of the Lord Thy God in vain, for the Lord will not hold him guiltless that taketh His Name in vain."

Special music will be rendered by the adult choir under the direction of Mrs. Holly Lash Visel. At 5:30 p.m. the young people of the Community church will be hosts to the Youth Chorus of the Spurgeon Memorial Methodist church at the fellowship hour in the social room of the church. A short devotional and song service will follow the serving of refreshments by a committee under the leadership of Nancy Nye, president of the local Christian Endeavor society.

At 7:30 p.m. a program of sacred music will be presented by the Spurgeon Methodist Youth choir and orchestra of Santa Ana, California, under the direction of G. Willard Bassett, minister of music of that church.

HERE SUNDAY—Glenn W. Bassett of Santa Ana who will bring noted Santa Ana musical group to city Sunday night.

Noted Santa Ana Musical Group to Sing Here Sunday

Seventy members of the Spurgeon Methodist Youth Choir and Orchestra of Santa Ana, under the direction of G. Willard Bassett, minister of music of the church, will present a program of music Sunday evening in the Community Church of Palm Springs.

This aggregation of enthusiastic young musicians have become well known throughout Southern California during the past year, and have received invitations to appear in some of the largest churches in the southland. Their program ranges from anthems such as the Fred Waring arrangements of "The Battle Hymn of the Republic", "Dry Bones", "Onward Christian Soldiers", to "The Heavens Are Telling" from The Creation by Haydn. The orchestra specializes in special arrangements of familiar hymns and occasional classical orchestrations.

Holly Lash Visel, director of music of the Palm Springs church, was the organizer and director of the group for several years, and it is at her personal invitation that the young folk are being excused from their regular Sunday evening duties to make the trip. A social hour and refreshments are being planned by the young people of the Palm Springs church.

Assisting Mr. Bassett on the trip will be Mrs. Jennie Fay and Mrs. Flora Heemstra, choir mothers; Edwin Elliott, orchestra conductor; Norris Barnes, assistant choir director; Marilyn Allis, organist; Delle Hamilton, pianist; and Lester Slaback, orchestra manager. The group will travel to Palm Springs by bus.

"In God's Hand" Topic Sunday at Episcopal Church

"In God's Hand" will be the subject of the sermon next Sunday morning by the Rev. Robert M. Hogarth, rector of St. Paul's in the Desert, Episcopal church. Sunday school at 9:45 a.m. will precede the 11 o'clock sermon.

The Guild of St. Paul's will meet Tuesday at 10 a.m. in the home of Mrs. Eber D. Kanaga, 1111 Tamarisk road. Plans will be discussed for the annual card party and sale which will be held in the Desert Inn on Tuesday, December 2, beginning at 1:30 p.m.

The Episcopal Service League, new evening group formed two weeks ago, met for the second time on Wednesday night, Nov. 12, in the home of the acting president, Helen Thomas Peterson, 1836 Mesa drive. Mrs. Clinton C. Bauer was appointed chairman of the choir mothers. Mrs. William A. Mason is chairman of the White Elephant table during the Guild's card party and sale.

The Rev. Robert M. Hogarth and lay-delegates, Levering Moore and Frank C. Finch, will be on duty in St. Paul's Cathedral, Los Angeles, next Wednesday, November 19, for the election of a new bishop to succeed the late well-loved Bishop Stevens.
